

Saint Michael School Telephone Directory

The Saint Michael School Telephone Directory is a very important tool for each family. In addition to the names, addresses, and phone numbers for each SMS student's family, it also includes a listing of the faculty and staff, Home & School Association Board, and Classroom Representatives.

The directory will be ready for distribution a few weeks into school. Your annual \$20 Home & School dues will be collected when you obtain your directory. Home & School dues will cover the cost of printing the directory, as well as specialty teacher gifts at Christmas and the close of the school year. In order to insure that your contact information is included in this year's directory, please return this form to Saint Michael School via US mail, or email by **Friday, August 27, 2010**.

Saint Michael School
SMS Home & School
198 Main Street
Hudson, MA 01749
